It is imperative that a firm commitment be made to the Marching Blue Devils because considerable time and money is spent planning the show for a specific number of performers. By returning this completed form, I am confirming that:

- I will be joining the Westfield High School “Blue Devil” Marching Band for the 2025/26 Season.
- I have received the tentative schedule and am aware of the rehearsal and performance commitments for the 2025/26 school year. I have reviewed the detailed fall rehearsal schedule. I will communicate any rehearsal conflicts well in advance to the Band Directors and will be **present for all performances.**
- I understand that fees for **Required Items and Required Trips** (outlined above) will total **\$1,300** for marching band and will follow the payment plan outlined below:

- Payment 1: \$350 by 6/23/25 (non-refundable)**
- Payment 2: \$350 by 8/15/25**
- Payment 3: \$325 by 9/26/25**
- Payment 4: \$275 by 10/24/25**

**REFUND POLICY:** Putting together a high quality competitive marching band experience for over 115 student performers is expensive. Some of the major expenses include show design, drill writing, music arranging, instructional staff, transportation, props, uniforms, instruments, and trips among many others. Since the WHSBPA is a 501(c)(3) non-profit organization, virtually all of the money spent on marching band must be raised either through fees or through fundraising. The non-refundable deposit ensures a place on the field for each student. Thousands of dollars are spent upfront on show design and your deposit represents your student’s commitment to participation. Extenuating circumstances (change in residence or severe injury or illness) are handled on a case-by-case basis. All decisions regarding refunds are made collectively by the WHSBPA Board and the Band Directors. Simply deciding you do not want to participate will not constitute a refund.
