## *Student Leadership Application*

Thank you for showing interest in being part of the WHS Bands Leadership Team. We hope you will find the application process to be interesting and enriching regardless of the outcome. If you have any questions about the process or your application, please do not hesitate to contact Mr. Vitale or Mr. Sindorf. Good luck, and work hard to best represent yourself throughout this process.

Your candidacy will be judged on the following criteria:

1. Past performance
2. Quality of your application
3. Future leadership potential
4. Best fit for the individual and organization

When completing the application, be thorough, complete, creative, and honest. Don't say what you think we want to hear. Say what you really believe. Leaders are people who can offer something new and different to the organization. This application process is structured so that you will gain insights into yourself as a person, so please be honest and thorough. You need to open up and show the person you truly are, or that you aspire to be. Whether you are chosen to participate in the position you apply for is not the ultimate goal of this process. Dig deep inside and strive to learn something new throughout this process. It should be about self-improvement, self-reflection, and learning about leadership. **Please do not fill out this application unless you are prepared to accept all outcomes of this audition process.** Drum major applicants should plan on attending the George Parks Drum Major Academy if accepted as a WHS Drum Major. DMA is offered at various sites throughout the summer. More information can be found at [www.drummajor.org](http://www.drummajor.org).
